INDUSTRIAL MUSEUM

The Museum of Jewish History and Culture is an essential part of the museum's collection. It is a unique place to explore the history of our community and its contributions to society. The Museum offers a variety of exhibitions that celebrate the diversity of our culture and its heritage. Visitors can learn about the history of Jewish life in different countries and cultures, from ancient times to the present day. The Museum also hosts temporary exhibitions and events, including lectures, concerts, and workshops, that highlight the richness and depth of our cultural traditions. Whether you are interested in history, art, or culture, the Museum of Jewish History and Culture is a must-visit destination for all ages and backgrounds.
