

***"Biochemistry & Pathophysiology  
of Muscle"***

***A Symposium in Tribute to  
Professors Michael & Kate Bárány***

*Departments of Biochemistry and Physiology & Biophysics  
University of Illinois at Chicago*

*May 13, 1996*

## PROGRAM

- 9:15 - 9:30 AM ..... Professor Donald A. Chambers  
Introduction
- 9:30 - 10:00 ..... Professor R. John Solaro  
"Use of Transgenic Approaches in  
Understanding the Dynamics of the Heart  
Beat: A Wonderful Marriage Between  
Biochemistry and Physiology"
- 10:00 - 10:40 ..... Professor George Radda  
"Control and Bioenergetics in Normal and  
Diseased Muscles; A view through NMR"
- 10:40 - 11:00 ..... BREAK
- 11:00 - 11:20 ..... Professor George Bárány  
"A Tapestry of Protein Science"
- 11:20 - 11:40 ..... Professor Francis Bárány  
"Vistas in Genetic Analysis"
- 11:40 - 12:00 ..... Professor Donald A. Chambers  
Conclusion
- 12:15 PM Luncheon - Chicago Illini Union Rooms  
B & C
