

THE NORTH AMERICAN SCHOOL OF THE ARTSY AND SOMEWHAT MUSICALLY INCLINED

AT WHITE BEAR LAKE IN THE STATE OF MINNESOTA

The President and Board of Regent of the School, acting on the recommendation of those members of the faculty who had a sincere desire to have their contracts renewed have, with only a handful of dissenting votes, conferred on

Professor George Barany

this incredibly worthwhile and tasteful degree, *honoris causa*, reflecting extraordinary accomplishment in the field of

Cruciverbalist Extraordinaire

TOGETHER WITH ALL THE HONORS, RIGHTS, AND PRIVILEGES APPERTAINING THERETO WITHOUT PLIGHTING ANYONE'S TROTH, ALONG WITH THE OBLIGATION TO SUPPORT THE SCHOOL'S TELEMARKEING FUND DRIVES FOR THE FORESEEABLE FUTURE WITH AFFIRMATIVE OATHS ONLY.

In witness whereof, by our *authority and make no bones about that*, we have placed our names and the great Tri-colored Crest of the North American School of the Artsy and Somewhat Musically Inclined, FOUNDED IN MCMLXXXVI.
