Academic Careers Workshop

**Academic Careers at
R1s and PUIs
& Introduction to
Crafting an
Application**

**5:30p.m. Friday,
January 24
117/119 Smith
Hall**

We will kick-off Friday evening with a get acquainted meeting over pop and pizza as we discuss academic careers at Research 1 (R1) institutions and Primarily Undergraduate Institutions (PUI), and provide an introduction to the application process. The evening session will provide an overview (the good, the bad and the ugly) of academic careers/life styles and the future of academics at a range of institutions for those interested in hearing more about this career option. The participating faculty include veterans and assistant professors who have just been through the process of getting a job. The sessions on Saturday and Sunday will get into more details of the process including C.V. preparation,, proposals, seminars, phone interviews, and the on-campus interview. So come on Friday evening if you are curious and on Saturday and Sunday if you are or will be looking for an academic job during the 2014 or future academic years.

Please RSVP by sending an email to chemgswc@umn.edu.
