Research Presentation Guidelines: Presentations should be 30 minutes long. Please prepare PowerPoint slides – emphasize the motivation, plan, and results for your project.

Undergraduate Presentation Guidelines: Presentations should be ~15 minutes long. Please prepare PowerPoint slides – emphasize the motivation, plan, and results for your project.

Literature Presentation Guidelines: Presenter should choose 1 paper from a top tier journal (Science, Nature, JACS, PNAS, etc), and electronically distribute it to the group 3 days ahead of group meeting. Presentation should be ~10 minutes long (including a quick summary and critical analysis) followed by discussion time, including questions to the group that the presenter prepares.

Treats: It doesn't matter what you bring as long as there is enough for all of us and it is tasty.
