

Exam 1 Re-Grade Request Form

Due: Thursday, June 30, in class

Please staple this form to the front of your exam, and hand your re-grade request to Andy Taton, in person.

In the space below, explain what you would like Andy to re-evaluate. Please include:

- The number (and part number, if appropriate) of the questions you would like me to re-grade.
- How the web-posted exam answer key and rubric relate to your answer. If possible, cite specific text in the rubric that applies to your answer.
- Your understanding of the grader's marks, and how that differs from the rubric.

DO NOT add writing to your graded exam.

Please leave this space below blank. I may comment here. Attach additional blank pages if necessary.
