

Safety Seminar: SOPs

UNIVERSITY OF MINNESOTA
Driven to DiscoverSM

Standard Operating Procedures

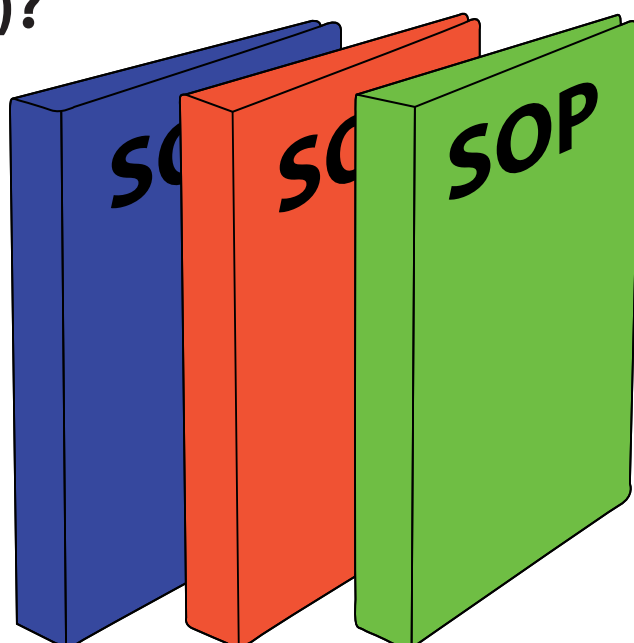

Hosted by the Department of Environmental
Health and Safety

Have you been wondering....

What is a standard operating
procedure (SOP)?

What types of SOPs should
my lab have in place?

How often should we
update our SOPs?

What goes into an SOP?

How do we maintain SOPs?

Why is my lab required
to have SOPs on hand?

In this seminar, DEHS will answer your common
questions about Standard Operating Procedures

Open to all students, faculty, and staff
Tuesday, April 30th at 3:00 pm, Smith 331

Joint Safety Team

Departments of Chemistry and
Chemical Engineering and Materials Science
