

**Katherine Ziebarth, Matthew Styles and Curtis Peterson**—*David A. and Merece H. Johnson Scholarship* awarded to chemistry majors who have shown outstanding academic achievement. Not pictured: **Moriana Haj**.

**Daniel Ries**—*Hach Chemistry Teacher Scholarship* given to a chemistry major interested in being a chemistry teacher.

**Quang Luu Nguyen**—*Wayland E. Noland Award for Academic Excellence in Chemistry* given to a rising senior who has shown outstanding academic achievement.

**Junior Awards (from left)**

**Clay Batton**—*Auzins Scholarship* awarded to a chemistry major who has shown outstanding academic achievement and who has financial need.

**Nathan Klein**—*Robert C. Brasted Memorial Fellowship*, a fellowship as well as a part time apprenticeship in the department's General Chemistry Program awarded to an outstanding chemistry major who has expressed an interest in a teaching career in chemistry.

**Vignesh Palani**—*Lloyd W. Goerke Scholarship* awarded to a chemistry major who has shown outstanding academic achievement and who has financial need.

**Sammy Shaker**—*M. Cannon Sneed Scholarship* awarded to a chemistry major who has shown outstanding academic achievement.

**Sammy Shaker**—*J. Lewis Maynard Memorial Prize in Advanced Inorganic Chemistry Award* given for outstanding scholastic achievement in advanced inorganic chemistry.

**Moriana Haj**—*David A. and Merece H. Johnson Scholarship* awarded to chemistry majors who have shown outstanding academic achievement. *Heisig/Gleysteen Chemistry Summer Research Program*.

**Jacob Kautzky and Thang Phan**—*Thomas DuBruil Memorial Award* awarded to sophomores who have demonstrated outstanding achievement in undergraduate research in chemistry.

**Tenley Brown and Megan Magee**—*Betty A. Lewis Scholarship* is given for outstanding scholastic achievement and who have financial need.

The *Heisig/Gleysteen Chemistry Summer Research Program* is designed to encourage students in chemistry to learn more about research in chemistry and provide them with the opportunity to work in a lab under the direction of a faculty member. Pictured, from left, are **Molly Newbold, Abbie Mozzetti, Mitchell Lancaster, Matthew Styles, Elena Werst, Jacob Kautzky, Ming Yu, Joseph Manulik, Katherine Ziebarth, Matthew Henley, Stephanie Breunig, and Eric Duffy**. Not pictured: **Katheine Anton, Xiang Ao, Maya Cutkosky, Moriana Haj, Kadir Hussein, Samantha Meyer, Vignesh Palani, Anthony Tabet, Matthew Turcotte, Tedd Wiessner, Haini Zhang**.

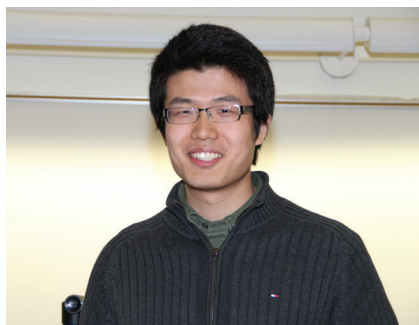

**Vignesh Palani**—*Jane B. Spence Scholarship* awarded to the top student in the honors organic chemistry. *Heisig/Gleysteen Chemistry Summer Research Program*.

**Eric Kalkman**—*Jane B. Spence Scholarship* awarded to the top student in the honors organic chemistry. *Heisig/Gleysteen Chemistry Summer Research Program*.

**Nicholas Johnson**—*George T. Walker Scholarship* awarded to chemistry majors who have shown outstanding academic achievement.

**Zhenshu Wang**—*George T. Walker Scholarship* awarded to chemistry majors who have shown outstanding academic achievement.

**Emily Walsh**—*Sally Herz Memorial Scholarship* awarded to the top student in honors general chemistry.
